We have seen on City Web Pages that the City of Victoria and City of San Patricio are on BWA and have seen multiple reports the Victoria County is also on a BWA

I've seen news reports that the City of Victoria is under a BWA but I don't have

confirmation from TCEQ or the SOC.

I need to talk to OSCs McAteer and Brescia to find out when TCEQ is going to start updating DW status updates in RM.

Kim, Mark, Angela, Andy,  
Other than the BWA in Corpus do we have any PWS impact information available?

Kim - that was exactly the answer I was looking for. Please keep us in the loop, but as a layman, I may ask a question or two.

Thanks again,

Thanks Kim. Just to clarify, why did EPA send  
this notification vs Corpus Christi or TCEQ?

**Subject: Boil Water Advisory for  
City of Corpus Christi Airport  
(CRP)**

Hi EPA Region 6 Air  
Carriers,

I wanted to inform you that  
due to conditions within the  
City of Corpus Christi caused  
by Hurricane Harvey, the  
Texas Commission on  
Environmental Quality has  
required the City of Corpus  
Christi to notify all of their  
customers to boil their water  
prior to consumption. Please  
do not board water from the  
Corpus Christi airport (CRP)  
onto your aircraft until the  
boil water advisory has lifted.
